

APPLICATION TO REGISTER A MOTOR VEHICLE UNDER U-DRIVE-IT PROGRAM

INSTRUCTIONS FOR COMPLETION

APPLICATION MONTH

The current month in which you are making the applications.

U-DRIVE-IT PERMIT #

The permit number assigned by this division.

YEAR AND MAKE

This is the year the vehicle was manufactured. Use the last two digits, e.g. 98 for 1998. Make of the vehicle should be the name assigned to the vehicle by the manufacturer in a maximum of four letters, e.g. Ford, GMC, Pont.

SERIAL NUMBER

Must have the complete, accurate serial number legibly written or typed.

GROSS WEIGHT

Gross weight for which the truck will be licensed. (Not applicable for passenger cars)

FIRST OR RENEWAL REGISTRATION

Indicate the letter (F) if this is the first time the vehicle has been licensed under this U-Drive-It Permit.

If this is a renewal of a previously licensed vehicle, indicate the letter (R).

FEE PER VEHICLE

This fee is calculated by matching the application month, incorporation month, and term of license. Charts are available for computing this amount.

The fee is \$15.00 per year prorated (KRS 186.281). The permit holder will be billed for the fee on its monthly tax return.

EXPIRATION DATE

This date will be the month and year to which this vehicle will be licensed. This date must also coincide with the computation of the fee.

PAYMENT CODE

Insert the following code for the method of payment of usage tax and whether unit is a rental or leased unit (KRS 138.463).

L6 - Leased vehicle - 6% usage tax paid monthly.

(Lease contract, supported by a consideration, for use of a motor vehicle for a period of 365 days or more)

R6 - Rented vehicle - 6% usage tax paid monthly

(Rental contract, supported by a consideration, for use of a motor vehicle for a period of less than 365 days)

This form may be used for a total of 12 vehicles and photostatic copies will be accepted.

All vehicles will be registered under the U-Drive-It permit number given on the application. Applications with incomplete information will be returned.
